## Deckman Oil is pleased to present our starting line-up of premium-quality products:

---

Since 1975, Deckman Oil has offered our own line of motor oils, hydraulic oil, heavy-duty engine oils, automatic transmission and universal tractor fluids, all marketed under the Blue Ribbon brand name. This high-quality line – which is developed with today's high-speed, high-performance engines in mind – provides protection over a wide range of ambient temperatures.

Gulf Oil is "A name you know. A name you can trust." Dedicated to continuous improvement of its products and brand, Gulf Oil consistently provides customers with high-quality engine oils, gear/transmission oils, hydraulic oils and other specialty lubricating products.

For over 130 years, Lubriplate Lubricants has manufactured and sold high-performance lubricants that provide superior protection against the effects of friction, wear, heat, rust and corrosion. As an ISO-9001/QS-9000 registered company, Lubriplate "walks-the-talk" when it comes to quality and consistency – and realizes that it must constantly outperform the competition to earn and maintain your trust.

Established in Bradford, Pennsylvania in 1881, the Kendall Motor Oil brand is a long-standing leader in lubricants technology and product innovation. Whether for use in passenger cars or heavy-duty engines, Kendall Motor Oils are formulated to the highest quality standards, resulting in superior protection. Think of Kendall Motor Oils as extra insurance for your engine.

The Valvoline Company is a leading marketer, distributor and producer of quality branded automotive and industrial products including automotive lubricants, transmission fluids, gear oils, hydraulic lubricants, automotive chemicals, specialty products, greases and cooling system products.
