

BLUE RIBBON UNIVERSAL TRACTOR FLUID

Blue Ribbon Universal Tractor Fluid is a premium hydraulic oil formulated from a high-quality paraffinic base oil and a premium additive system. It is designed to function as a common sump fluid in a wide variety of farm tractors and construction equipment requiring a single lubricant for the hydraulic system, transmission, wet brakes, power-take-off (PTO) clutches and final drives.

FEATURES AND BENEFITS:

Blue Ribbon Universal Tractor Fluid provides outstanding wear protection for gears and hydraulic pumps. It has a pour point of -35°F for superior low-temperature performance, and possesses friction control properties for operation in wet brakes and clutches. In addition, this product provides excellent rust and corrosion protection and prevents oxidation for sludge control.

APPLICATIONS:

Blue Ribbon Universal Tractor Fluid is recommended for a variety of applications including John Deere J20C (Hyguard), J14b/c JD 303 Fluid; Ford New Holland M2C134-A/B/C/D, M2C48-B, M2C53-B, FNHA-2-C-201; Kubota UTD; AGCO (Deutz-Allis) PF821XL, PF821; Massey Ferguson M-1110, M1127A/B, M-1129A, M-1135, M-1141 (Permatran III); JI Case MS1206, MS-1207; Type C-3 Fluid; Caterpillar TO-2, IHC B-6; Minneapolis-Moline 35154, 35202, 35301; White Farm Equipment Q-1705, Q-1722, Q-1766B, Q-1802 (Type 55 Fluid), Q-1826 (HTF); and Case TCH.

AVAILABILITY:

Blue Ribbon Universal Tractor Fluid is available throughout Deckman Oil's marketing area. Your Deckman Oil representative or Customer Service can provide specific information. Need additional information? Call Deckman Oil Co. @ (800) 836-0562.
